

# YOUNG ADULTS (around & about 20s & 30s) at COMMUNITY CHRISTIAN CHURCH

December 2011

- GROWING TOGETHER •
- JOYS & CONCERNS •

### YA Christmas Caroling and Party!

On Sunday, **December 11**, the Young Adults will get into the **Christmas spirit** by **servicing others** and **sharing in fellowship**. We'll go **caroling at Armour Oaks Homes nursing home**, and then we'll take the party to **Waldo Pizza** to eat some dinner ourselves! Meet at Community at **5:30** if you'd like to carpool, or at **6 pm** at the lobby of Armour Homes Assisted Living Community (8100 Wornall Rd., KCMO)

- DIGGING DEEPER •

### Bible Study

All are welcome to join the Young Adult Bible study. Every couple of weeks, we get together at Panera on the Plaza to discuss the **gospel of Matthew**. Each session is self-contained, so if you can come every time, that's great...but if you can only come once in a while, that's okay, too! We meet **every other Monday** at the **Panera** on the Plaza at **7 pm**. Our next session is on **December 5**, and we'll talk about Matthew 9-10.

### The Waystation

Young adults from around the Greater Kansas City region are invited to **share a meal, worship, and discussion**. Meet at First Christian Church North Kansas City (2018 Gentry, NKC MO) on **Tuesday, December 20th** from **7-9 pm**.

We extend our condolences to Doug and Jill Gillispie upon the death of **Bob Gillispie**, Doug's father, who passed away on November 17.

\*If you would like a joy or a concern to be listed here, please let Michelle know!

- REACHING OUT •

### Invite Friends to Community!

This time of year, many people realize they're **hungering** for something *more*. They may start to look for a faith community. **Let them know about CCC!** The Jazz Carol Fest is a great entry point to the church, as are the Christmas Eve services. Think about who you can invite to Community to share in these holy-days!

- SAYING GOODBYE •

Friends,

River Oaks Christian Church in Ft. Worth, Texas has called me to be their pastor. My last day at Community will be Dec. 18th, and I will start my new ministry at River Oaks on Jan. 2. It has been a joy to serve, learn, pray, and grow with all of you. The Young Adults are a vibrant part of Community, and I will keep you in my prayers.

Peace,

Megan
